

We at University at Buffalo are dedicated to reducing falls among the older adult members of our community.

**We need 40 participants for Fall Prevention study!!**

- If you are 65 years old,
- If you had falls in the last 1 year, and
- If you live in your own home.

**Deadline for participation is 31<sup>st</sup> August**

Following Home Hazard Assessment and Education provided by an Occupational Therapist at your home, you can improve your knowledge in,

⇒ HOME MODIFICATION ⇒ FALL PREVENTION ⇒ HEALTHY AND SAFE LIVING

**YOU WILL ALSO RECEIVE:**

Educational materials for home modification and local resources, and \$14.50 at initial assessment and \$7.25 at follow-up assessment.
