Aging & Independence

The Summit on Aging and Independence provides a valuable platform to share, identify, and explore "Best & Next Practices" for addressing the current and future needs of older adults and individuals with disabilities. Our theme this year is "Tools for Living Well." By sponsoring, exhibiting, or placing a program ad, your organization will gain visibility among a diverse audience, including Human Service & Health Providers, Advocates, providers supporting aging in place, educators, and caregivers.

For more information contact Tracy LeBlanc 716-836-0822 ext 166 tleblanc@wnyil.org
